Ricordami che ti devo dire una cosa Verde Edrev

*Mi raccogli alla fine di un momento,
e con dolce impazienza ti avvicini al mio orecchio inseguendo le parole.
E mi ritrovo a vagare quando le stelle si distribuiscono nel cielo, e tu ti lasci andare
con me.*

Ricordati che ti devo dire una cosa is the first exhibition at Salotto Studio by Edrev Verde. Edrev Verde (Florence, 1995) lives and works between Florence and London. For her first exhibition in Milan Verde is presenting a new body of work composed of seven canvases that explore the notion of human contact: each brushstroke a consideration on the raw lightness of physical touch. Honesty and carnality, poetry and empathy, what are the things we have to say to each other? In the kitchen and in the bedroom of Salotto Studio a selection of the artist's ongoing series *an open relationship with the sky*.
